The first ever **AQuESTT for Nebraska...emPOWERED by Data Conference** will be held April 27 - 28, 2015 at the Younes Conference Center in Kearney, Nebraska.

The new system for Nebraska is developing and the **Accountability for a Quality Education System Today and Tomorrow (AQuESTT)** process provides the framework for education in Nebraska.

The conference purpose is to provide district and ESU (Educational Service Unit) teams with an understanding of the emerging accountability system—**AQuESTT**. This includes six areas of focus along with systems of support for Nebraska schools. Information about the **AQuESTT** performance classification of public schools and districts and the designation of priority schools related to LB 438 will be provided. There will also be sessions that include the latest efforts in data use, tools, and training around the systems of support for Nebraska education.
